

Maryland State Disclosures

The SANS Technology Institute serves students around the world through our graduate and undergraduate cybersecurity programs, but we are proud to call Maryland our home. The SANS Technology Institute is pleased to provide the following information in accordance with Maryland House Bill 464.

PROGRAM	TOTAL TUITION*	PROGRAM LENGTH	# OF CREDIT HOURS
Cyber Defense Operations Grad Cert	\$22,000	Not to exceed 30 months	12
Cybersecurity Engineering Grad Cert	\$20,625	Not to exceed 30 months	12
Incident Response Grad Cert	\$23,375	Not to exceed 30 months	13
Industrial Control Systems Grad Cert	\$22,000	Not to exceed 30 months	12
Penetration Testing Grad Cert	\$23,375	Not to exceed 30 months	13
MS in Information Security Engineering	\$51,125	Not to exceed 5 years	36
MS in Information Security Management	N/A - not taking new applications	Not to exceed 5 years	36

* Tuition includes the cost of courses, course materials, and certification exams, but does not include travel and lodging for live course events.

Cancellation and Refund Policy

Students should ensure their schedule supports enrollment in a course before registration. Students who wish to cancel and receive a refund for a particular graduate course must submit a request by email to their student advisor. Requests must be received 45 days before the start of the course. Payments will be refunded by the method that they were submitted and a processing fee of \$300 will be deducted. Requests received within 45 days of the start of the course may not receive a refund, but credit towards enrollment in a future course.

Cancellation Fee*: \$300 Processing Fee + shipping charges
Course Change Fee*: \$150 Processing Fee + shipping charges

** Fees may apply per SANS policy for each modality*

Median Combined Loan Debt = \$0*

* The SANS Technology Institute does not participate in Title IV student loan programs, does not provide institutional loans, and does not process private student loans on behalf of students. We do provide a tuition payment program for eligible student enrolled in our MS Information Security Engineering program.
