

# Steering Committee

Last Updated: 28 June 2012

Name	Importance	Current Commitment Level	Target Commitment Level	Engagement Strategies
Org XXXX Team Leads	High	High	High	An integral part in determining the topics to be covered. They will become aware of topics in their communications with other team leads and managers across the division and company.
Cyber Security	High	High	High	It is important that Cyber be involved as they can provide the latest information on active threats and what we should be disseminating to the staff.
